ANNOUNCEMENT

We are authorized to announce Dr. J. B. Strayer, who has advocated the free coinage of silver ever since 1873, the candidate for the nomination of a delegate to a seat in the next House of Delegates of Virginia, from Shenandoah County, at the approaching election on Nov. 2nd, 1897.

We are authorized to announce John R. Grandstaff, a candidate for the House of Delegates, subject to the Republican convention, if one be held, and if none be held then subject to the will of the people expressed at the polls.

GENERAL LOCAL NEWS.

All nature was refreshed by a nice shower of rain Tuesday morning.

Mr. Will Moreland, of near town, has been suffering greatly for some days from a bad cold on his right thumb.

Communion services will be held in the Lutheran Church at Fairview on the 5th Sunday at 11 a. m.

I give my horse and stock Dixie Conditon Powders and they keep well and fat. For sale at Schmitt's Drug Store.

The forests have taken on a golden hue and reminds us of the approach of the winter season.

Mrs. Ambrose Cabbage, formerly of Page county, died recently of yellow fever at Ocean Springs, Miss.

Don't stop me I'm running to Schmitt's Drug Store for Dr. David's Cough Syrup. The baby has the Croup.

There is much scratching around throughout houses and cellars for stoves, by those who have put off this important subject until now.

There will be no preaching in the Lutheran church here on Sunday next. Regular services on the fifth Sunday, Oct. 31st, in the morning.

Mr. Jno. Hoover had the misfortune to mash the end of one of his fingers while loading apples at the depot here Tuesday.

I have the matches you have so long been looking for. They strike always, never fail to light and have a pleasant smell. Irwin's Drug Store.

Mr. Alvin Bams, of near town, recently returned from Luray where he successfully moved a large building a distance of sixty feet.

Communion service was held in the Presbyterian church here on Sunday morning. An addition of one person was made to the membership of the congregation.

"Your turn now" said the polite attendant at Schmitt's Drug Store as he handed out five bottles of Dr. David's Cough Syrup for a dollar. It cures L. R. Irwin's Cough.

The National Business College, Roanoke, Virginia, is enjoying an increased enrollment of 150 per cent over this time last year.

A new spring wagon for sale at a big bargain. Call at G. H. Hill's blacksmith shop, south Main street, Woodstock, Va.

"That's no light," that crowd is at Schmitt's Drug Store buying Dr. David's Cough Syrup of Hordwood, Wild Cherry and Pine Tar. The best on earth.

Mr. Will Bender, of near town, brought some splendid ears of yellow corn which he raised. The corn is from upland and was not fertilized. The man who can beat him must bring some specimens for certain.

The time for filling notices of candidacy for the House of Delegates expired at 12 o'clock last Friday night, and under the law the names of none but those who have filed such notices can now be placed on the ticket.

Moments are useless if trifled away and they are dangerously wasted if consumed by delay in cases where One Minute Cough Cure would bring immediate relief. L. R. Irwin.

The north branch of the Shenandoah river is said to be lower now than for years past. In many places the water hardly covers the rocks in the bed of the stream, and it is fordable at almost any point.

To heal the broken and diseased tissue, to soothe the irritated surface, to instantly relieve and to permanently cure is the mission of Dr. David's Cough Syrup. L. R. Irwin.

Rev. H. H. Kennedy, pastor of this place, was kicked by a horse last week and had the small bone of his left fore-arm broken. Dr. W. S. Cline rendered surgical attention, and Mr. Kennedy is able to be around but will have to carry his arm in a sling for several weeks.

Running shoes, indolent slippers and similar troubles, even though of many years standing, may be cured by using Dr. David's Cough Syrup, strengtheners and heels. It is the great little pill. L. R. Irwin.

The Emma Warren Theatrical Company which is playing every night this week in Irwin's Hall, is a fine troupe, and their performance is far above the average. Two plays they put on the stage are all of a high order, and are rendered in a style that reflects credit on the profession. If you have not yet seen this fine company of players don't fail to go this very night, for we do not often have such chances here.

One Minute Cough Cure, cures.
 That is what it was made for.

PERSONAL.

Mrs. Kate Kees is at the Geary House. Mrs. Sallie Williams, of Broadway, arrived here Wednesday.

Mr. Stewart Grayson and sister, Irene, who have been visiting friends in Woodstock, returned to Luray last week.

Mr. C. L. Favey, of Harrisburg, Pa., is visiting Mr. J. C. Schooley, of north Main street.

Mrs. Ida O'Neil, of Washington, D. C., is visiting Mrs. Sallie Clower, of north Main street.

Mrs. Noah Zirkle and two children, of near New Market, have been visiting friends near Woodstock.

Mrs. Rev. H. H. Kennedy, of this place, is visiting the family of Rev. L. R. Jones, of Luray.

Mrs. Chas. Kuesler, of Strasburg, was the guest of relatives in this place this week.

Mr. and Mrs. Will H. Shaver and little daughter of north Main Street, returned Tuesday from a visit of several days to relatives in Powell's Fort.

Miss Valley, daughter of Mr. and Mrs. L. E. Keller, accompanied by her brother, Mr. Frank Keller, returned last Thursday from a visit to relatives in Harrisonburg.

Mr. N. J. Pritchard and wife, of Roanoke, Va., and Mrs. Fannie Ettinger and children, of Shenandoah Page county, Va., are guests of Mr. and Mrs. S. R. Pritchard, of north Main street.

Rev. Dr. P. D. Stephenson and Mr. P. W. Magruder, of this place, left on Tuesday morning to attend the session of the Virginia Synod of the Presbyterian church, now in session at Fredericksburg, Va.

Mr. Frank S. Bowman, of this place, was in Luray last week in attendance upon the wedding of Mr. Lee C. Brubaker and Miss Annie C. Jones, daughter of Rev. R. L. Jones, of Luray. Mr. Bowman was one of the groomsmen.

Mr. D. J. Coffman, proprietor of a well known job printing establishment in Washington, D. C., accompanied by his wife is stopping at Mrs. J. B. Keller's Valley Inn, this week. Mr. Coffman is an old Shenandoah boy, and learned the printing business in this office. He has a host of friends in this place and surrounding country who are always glad to see him.

We learn that Mr. Jno. T. Haas, of this place, has accepted a position as traveling salesman in the Valley for the old and widely known queenware house of E. J. Miller & Co., of Alexandria, Va.

Mr. Haas has been a salesman for years. He has an extensive acquaintance among the merchants of the Valley and part of W. Va., and is very popular.

If you have ever seen a little child in a paroxysm of whooping cough, or if you have been annoyed by a constant tickling in the throat, you can appreciate the value of One Minute Cough Cure, which gives quick relief. L. R. Irwin.

Send for illustrated catalogue of the National Business College, Roanoke Virginia. They have the best arranged, best aired and best lighted suite of rooms as also the largest and among the best corps of instructors of any similar school in the state. It costs only one cent to send a postal for a catalogue which may be worth dollars. Write at once for same that you do not forget it.

Certainly you don't want to suffer with dyspepsia, constipation, sick headache, salivary gland and loss of appetite. You have never tried DeWitt's Little Early Risers for these complaints or you would have been cured. They are small pills but great regulators. L. R. Irwin.

The last grand extension of the year to Washington will be run by the Southern R. R. on Saturday, Oct. 30th, 1897. The fair for the round trip is exceedingly low, being \$1.75 for all stations between New Market and Woodstock, and \$1.50 for all stations between Martinsburg and Front Royal. The train will leave Woodstock at 6:30 a. m. and returning leave Washington at 7:00 p. m. As the train reaches Washington at 10:45 in the morning it gives excursionists over eight hours of sight seeing.

The "Bicycle's Best Friend" is a familiar name for DeWitt's Witch Hazel, Salve, always ready for emergencies. While a specific for piles it also instantly relieves and cures cuts, bruises, salt rheumatism, eczema and all infections of the skin. It never fails. L. R. Irwin.

While Rev. H. H. Kennedy was preaching at New Hope church, near Jadsyn, some crowd took off a wheel of his buggy and hid the top in the vehicle. Probably the same dog took a top off of Mr. Barnett Cough's buggy. The loss was not noticed until Mr. Cough and his wife had gone some distance on their road home when the wheel came off throwing both to the ground. Fortunately they escaped injury. It is a pity these malicious rascals, who seem to infect every community, cannot be caught at their devilish tricks and given the very severest punishment.

No man or woman can enjoy life or accomplish much in this world while suffering from a torpid liver. DeWitt's Little Early Risers, the pills that cleanse that organ, quickly. L. R. Irwin.

Mr. Geo. Shifflet, who is selling plants for Mr. Abram Kuefer, of Edinburg, exhibited recently at our office some specimens of his fruits. Among them was a sprig of raspberries on which was both the ripe and green fruit. This species bears continuously from the usual commencement of the raspberry season right along until late in October unless the frosts should prove too severe. He also showed us a cross between the raspberry and strawberry forming a beautiful and delicious fruit. This also bears until frost.

Small precautions often prevent great mischiefs. DeWitt's Little Early Risers are very small pills in size, but are most effective in preventing the most serious forms of liver and stomach troubles. They cure constipation and headache and regulate the bowels. L. R. Irwin.

By the mislaying of a memorandum we neglected to state in our last issue that a little son of Mr. Wm. S. French made a narrow escape on Thursday, of last week, from a frightful death in their mill at this place. The little fellow had gone into the mill without being noticed and put his hand on a belt just as the machinery was being started. He was caught by the arm and whirled violently round, but fortunately his cries were heard and so the mill was moving slowly, not having gotten under full headway, was stopped in a moment. Had the machinery been running at its usual high rate of speed the little boy would have been horribly mangled and of course killed. Fortunately he escaped with a badly bruised arm and hand. Dr. W. S. Cline was called in and rendered the necessary surgical aid.

Had the machinery been running at its usual high rate of speed the little boy would have been horribly mangled and of course killed. Fortunately he escaped with a badly bruised arm and hand. Dr. W. S. Cline was called in and rendered the necessary surgical aid.

By the mislaying of a memorandum we neglected to state in our last issue that a little son of Mr. Wm. S. French made a narrow escape on Thursday, of last week, from a frightful death in their mill at this place. The little fellow had gone into the mill without being noticed and put his hand on a belt just as the machinery was being started. He was caught by the arm and whirled violently round, but fortunately his cries were heard and so the mill was moving slowly, not having gotten under full headway, was stopped in a moment. Had the machinery been running at its usual high rate of speed the little boy would have been horribly mangled and of course killed. Fortunately he escaped with a badly bruised arm and hand. Dr. W. S. Cline was called in and rendered the necessary surgical aid.
